THE MATTRESS EXPERTS

Providing comfort and support for active growing bodies....

DURACOILPLUS®

The Growing Dreams range features the Duracoil Plus spring system, which is a proven technology which has been supporting Australians for over 30 years. The Duracoil Plus spring system helps provide lumbar support and edge stability.

Ultra-Fresh

All foams are treated with Ultra-Fresh, which controls the growth of bacteria, mould, mildew and dust mites - A smart choice for asthma and allergy sufferers.

PowerFirm Plus Base

PowerFirm Base provides unique mattress support to work in unison with the mattress, providing less motion transfer for undisturbed sleep.

Corner Guards

The use of Corner Guards and castors provide mattress and base protection.
